

Plastics & Rubber Thailand

Thailand's exhibition on technology,
innovation and materials of
Plastics and Rubber manufacturing

14-17 MAY 2025
BITEC, BANGKOK

Unwrapping **Net Zero** Create More Sustainable Future

- Essential materials
in various industries
- Transitioning to
net-zero emissions
- Sustainability

Co-located with :

Messe
Düsseldorf
Asia

Informa Markets Thailand and Messe Düsseldorf Asia have completed a collaborative agreement to drive Thailand's plastics and rubber industries to achieve net zero carbon and sustainability.

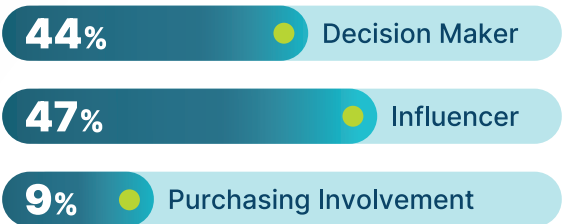

Plastics & Rubber Thailand 2024
Under the theme **"Step to Net Zero Carbon"** the event focused on driving Thailand's plastics and rubber industries towards a low-carbon future by showcasing innovative recycling solutions and technologies.

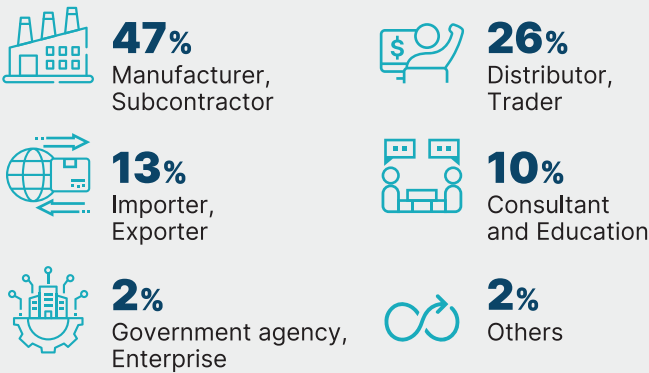

Top Countries

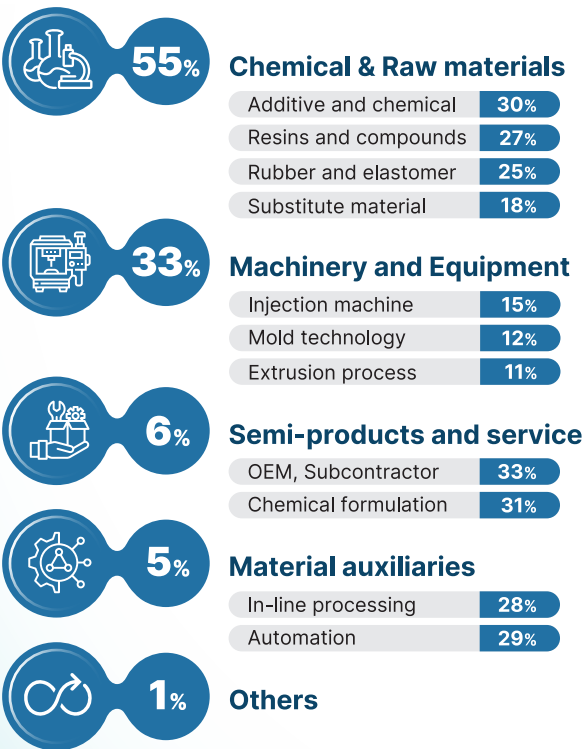

By Job level:

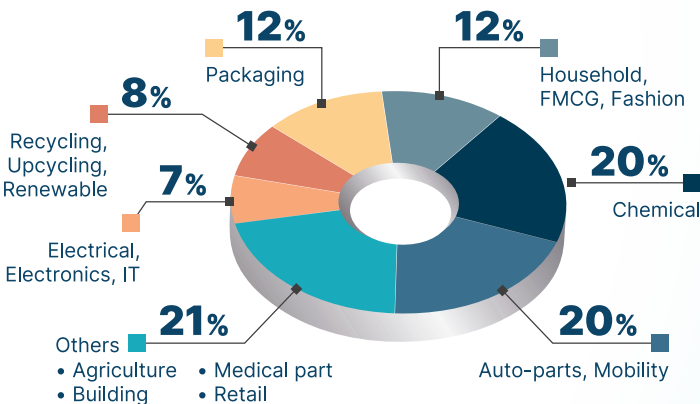

By Business:

By Technology Interest

By Industry:

By Purpose to visit:

Join **leading suppliers**
of the Plastics & Rubber
industry

Meet **qualified buyers**
and decision-makers
driving key industry choices

Build and strengthen
global partnerships

Take advantage of
Business Matching
opportunities with
industry experts

Product categories

Chemical and Materials

- Thermoplastics and thermoplastic elastomers
- Resins and compounds
- Foams and precursors
- Recycled materials
- Rubbers
- Synthetic fibres
- Adhesives and glues
- Additives
- Reinforcing fibres and materials
- Polymerisation auxiliaries

Products and processing

- Processing methods
- Subsequent processing of plastic goods
- Supply areas such as household / consumer goods and transport / packaging technology
- Product groups such as semi-finished products and compounds / recyclates
- Products such as containers and hoses

Machinery and equipment

- Machines and equipment for processing and recycling
- Processing and downstream machinery
- Machines and equipment for finishing, decorating, printing and marking
- Welding machines
- Process automation
- Peripheral equipment

Services

- IT services
- Technical literature
- Leasing
- Science and consulting

Visitor Target

AGRICULTURE
